

2023 ANNUAL CONFERENCE SPONSORSHIP OPPORTUNITIES

GREATER WASHINGTON REGION CLEAN CITIES COALITION

GWRCCC.org

Dear Friend of GWRCCC:

We are grateful to consider you as one of our valued supporters.

GWRCCC continues to increase its visibility and leaves a greater impact on the community. Our Organization presents events, resources and programs that promote our vision and are made possible by the financial support of our stakeholder and sponsors.

The Greater Washington Region Clean Cities Coalition is a public-private partnership (and a 501 (c) (3) non-profit organization) that promotes the use of clean, and alternative American transportation fuels for homeland security and improved air quality. This coalition is one of nearly 75 coalitions around the country. DOE created Clean Cities in 1993 to provide informational, technical, and financial resources to EPA Act-regulated fleets and voluntary adopters of alternative fuels and vehicles. Since its inception in 1993, Clean Cities and its stakeholders have displaced more than 12 billion gallons of petroleum.

In preparation of the 2023 Annual Conference, we would like to invite your company/organization to become a sponsor.

Your company/organization will have the opportunity to connect and partner with other entities that share the common mission to use clean and alternative American transportation fuels that result in improved air quality, promote clean energy and transportation, energy and justice, help further the mission of GWRCCC, and take advantage of resources from this community.

Please review our 2023 Annual Conference Sponsorship Benefits on the following pages. If you should have any questions, please do not hesitate to contact Info@GWRCCC.org or call (202) 671-1580.

For more information about GWRCCC, please visit our website, www.GWRCCC.org and follow us on social media.

Sincerely,

Antoine M. Thompson

Antoine M. Thompson

Executive Director, GWRCCC
