

# 2026 SPONSORSHIP OPPORTUNITIES

**GREATER WASHINGTON REGION CLEAN CITIES COALITION**

[GWRCCC.org](http://GWRCCC.org)

Dear Friend of GWRCCC:

As the Greater Washington Region Clean Cities Coalition (GWRCCC) continues to increase its visibility and make a greater impact on the community, we want to extend the opportunity for your organization to join us in these efforts. Our organization presents a variety of events, provides essential resources, and offers programs that actively promote our vision. These initiatives are made possible through the financial support of our dedicated members, stakeholders and sponsors.

GWRCCC is a public-private partnership and a 501(c)(3) nonprofit organization committed to advancing the use of clean and alternative American transportation fuels for the benefit of homeland security and improved air quality. Our coalition is part of a national network, being one of nearly seventy-five Clean Cities coalitions across the United States.

The Department of Energy (DOE) established the Clean Cities program in 1993 to provide fleets—both those regulated by the EPA Act and voluntary adopters of alternative fuels and vehicles—with informational, technical, and financial resources. Since its inception, Clean Cities and its stakeholders have collectively displaced more than 12 billion gallons of petroleum, significantly contributing to a cleaner environment and enhanced energy security.

As we begin our 2026 business year, we invite your company or organization to become a sponsor of GWRCCC. By joining us, your company or organization will have the opportunity to connect and collaborate with other entities that share the common mission of promoting clean and alternative American transportation fuels. This partnership contributes to improved air quality, advances clean energy and transportation, supports energy justice, and furthers the mission of GWRCCC. Additionally, you will gain access to valuable resources offered by our community.

We encourage you to review our 2026 Annual Sponsorship Benefits outlined on the following pages. Should you have any questions, please do not hesitate to contact us at [info@GWRCCC.org](mailto:info@GWRCCC.org) or call (202) 671-1580 for more information.

To learn more about GWRCCC, please visit our website at [www.GWRCCC.org](http://www.GWRCCC.org) and follow us on social media.

Sincerely,

*Antoine M. Thompson*  
Antoine M. Thompson  
CEO/Executive Director, GWRCCC

## 2ND Annual Earth Day Walk & Green Expo Sponsorship Package

Dear Potential Sponsor,

History is often written on the National Mall. It is a place where voices are heard, movements are born, and the future is defined. On **Saturday, April 18, 2026**, we invite you to help write the next chapter of our planet's future.

We are thrilled to present the **2nd Annual Earth Day Walk, Alternative Fuel Vehicle Display & Green Expo**.

This is more than an event; it is a unification of industry leaders, policymakers, and the public. Together, we will demonstrate that environmental responsibility and economic growth are not opposing forces—they are the twin engines of American innovation. By showcasing the latest in cleaner vehicles and green technologies, we can prove that a sustainable future is also a prosperous one.

We are inviting your organization to be a driving force behind this vision.

Your sponsorship is an opportunity to step to the forefront of the clean energy conversation. By partnering with us, you do more than fund an event—you position your brand as a pillar of positive change.

Your sponsorship will support our mission and provide you with:

- ☒ **Brand Leadership in Sustainability** — Demonstrate your commitment to clean transportation and corporate responsibility to customers, employees, and key stakeholders.
- ☒ **Engaging Digital Content** — Your communications team will receive organic social media content before, during, and after the event to amplify your sustainability efforts.
- ☒ **Public & Media Recognition** — Media sponsors will cover the event, creating earned media opportunities and positioning your company as a thought leader in clean energy solutions.
- ☒ **Government and Advocacy Collaboration** — Align with policymakers, industry experts, and organizations dedicated to energy security, environmental safety, and job creation.
- ☒ **Year-Long Impact** — This event will catalyze ongoing education and advocacy efforts during a critical time for clean energy initiatives.
- ☒ **Custom PR Opportunities** — Gain visibility in the trade press, participate in interviews, and issue press releases with quotes highlighting your support and leadership.

Please call if you have questions about the levels and benefits described in our Sponsorship Package. I look forward to discussing how we can partner with you to make every day - Earth Day.

Sincerely,

Antoine M. Thompson  
Executive Director
